

19. User Guide:

Every user can browse the system products but, the user must have a customer account to order any of them, or a seller account to offer new products on the system. To perform any process, you may need the help of this guide.

1- Create an account:

- 1) Choose Sign Up from the navigation bar to open the Sign-Up form.
- 2) In the Sign-Up form, fill in the required fields.
- 3) Click on (Sign Up) button.

Note: you can choose to have a seller account if you want to sell products through the website, or a customer account if you want to buy products.

Figure 1.1 Choose Sign Up from the navigation bar.

Figure 1.2 Sign Up form

2- Login to your account:

- 1) Choose login from the navigation bar to open the login form as shown in figure 2.1.
- 2) In the login form, fill in the required fields.
- 3) Click on (Login) button.

Figure 2.1 Choose Login from the navigation bar.

Figure 2.2 Login form.

3- Open profile:

- 1) Login to your account.
- 2) From the navigation bar click on (your username).
- 3) A new page will open containing your information.

Note: Sellers have ranks based on the number of items they sold, and customers have ranks based on the number of orders they made.

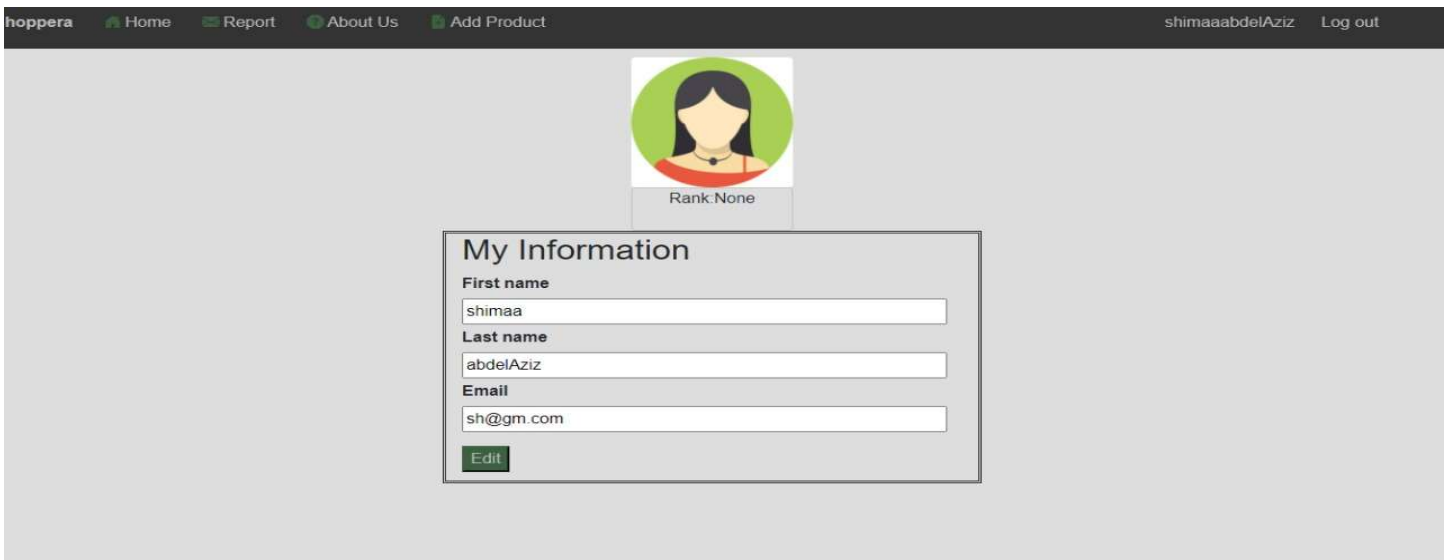

Figure 3.2 Example for a seller profile.

4-Edit information:

- 1) Login to your account.
- 2) Open your profile.
- 3) Click on (Edit) button.
- 4) Edit your information.
- 5) If you want to change your account password, click on (Change) button, click on (Submit) button.

Figure 4.1 Example for a customer profile page after clicking on Edit button.

Figure 4.2 Profile page after clicking on Change button.

Output: The system displays a success message.

Figure 4.3 Information updated successfully.

5-Browse products:

1) Search for the product you want by typing its name in the search bar, then click on the search button.

Or, click on the menu button to open the side bar, choose the category you want, then choose the product you want from the category page.

Figure 5.1 Search using search bar.

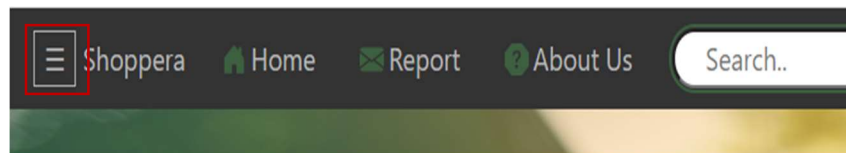

Figure 5.2 Menu button.

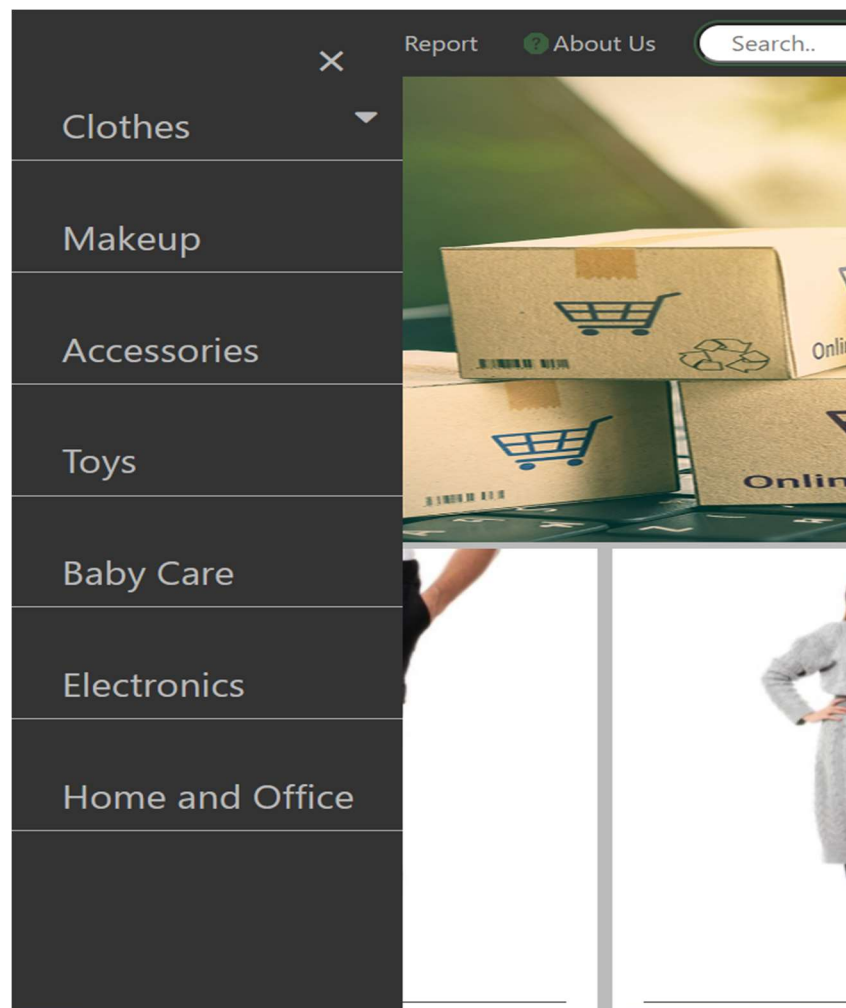

Figure 5.3 Side bar.

6- View product details:

- 1) Browse product.
- 2) Click on the product image.
- 3) A new page will open containing the product details.

Shoppera is an online store where you can get anything you imagine. While using Shoppera, you agree to have read and accepted our terms of use, cookie and privacy policy.

All rights reserved.

Figure 6.1 Product description page.

7- Add a product to your cart:

- 1) Login to your customer account.
- 2) Browse products.
- 3) Choose the product you want to add to your cart.
- 4) From the product card select the number of items of this product.
- 5) Click on (Add to Cart) button.

Figure 7.1 Example for a product card.

Figure 7.2 Selecting number of items.

8-Remove a product from the cart:

- 1) From the navigation bar choose (My Cart).
- 2) Remove the undesired product by clicking on (Remove) button.

Output: System displays a success message.

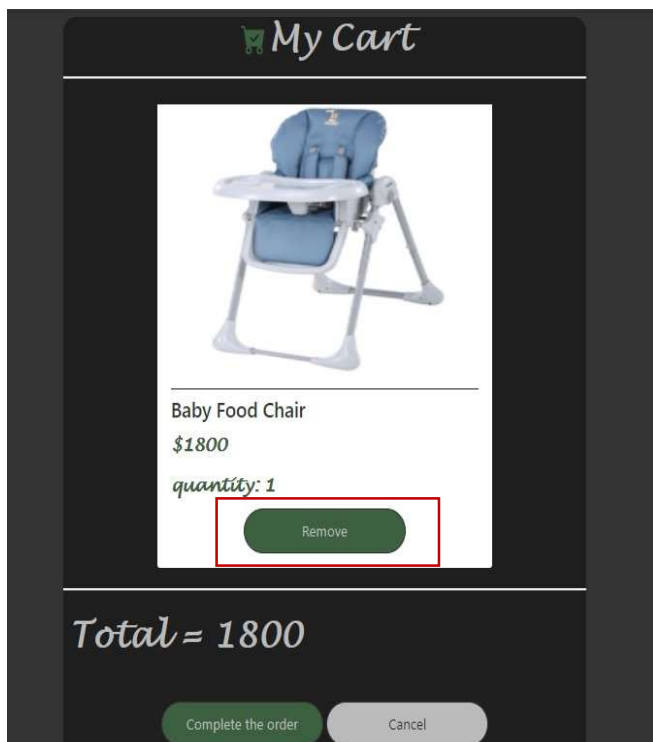

Figure 8.1 (My Cart) page.

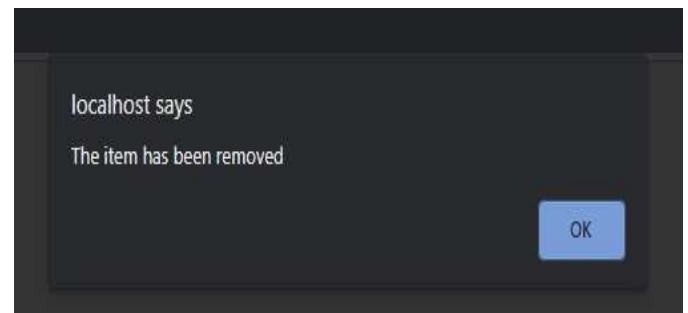

Figure 2.4 Product has been removed from the cart successfully.

9- Order a product:

- 1) Login to your customer account.
- 2) Browse products.
- 3) Add the desired products to your cart.
- 4) From the navigation bar choose (My Cart).
- 5) Click on (Complete the Order) button.
- 6) A new page will open, fill in the required fields to confirm payment, click on (Confirm Payment) button.
- 7) (Place Order) page will be opened.

The screenshot shows a web application interface with a dark navigation bar at the top containing links for Shoppera, Home, Report, About Us, and My Cart, along with a search bar and user options (ReemAhmed, Logout). The main content area features a light gray background with a world map and several large, overlapping colored circles (yellow, teal, red, blue). Overlaid on this is a 'Shipping Information' form with the following fields and options:

- City:** A dropdown menu with 'Alexandria' selected.
- Address:** A text input field.
- Phone Number:** A text input field.
- Currency:** Radio buttons for 'EGP' and 'USD'.
- Payment Method:** Radio buttons for 'Cash' and 'Visa'.
- Buttons:** 'Confirm Payment' (green) and 'Cancel' (gray).

At the bottom of the page, there is a footer with the text: 'Shoppera is an online store where you can get anything you imagine. While using Shoppera, you agree to have read and accepted our terms of use, cookie and privacy policy. All rights reserved.'

Figure 9.1 (Confirm Payment) page.

The screenshot shows the same web application interface as Figure 9.1, but with a 'Checkout' modal open. The modal has a dark header with the title 'Checkout' and a close button (X). The body of the modal displays the following information:

- Delivery Address:** Mistr Elgedeeda
- Phone Number:** 12345678910
- Delivery Fees:** 500 LE
- Payment Method:** Cash
- Discount:** No Discount
- Total:** 2300LE
- Button:** 'Place Order' (green, highlighted with a red border).

The background of the page remains the same, showing the world map and colored circles. The footer text is identical to Figure 9.1: 'Shoppera is an online store where you can get anything you imagine. While using Shoppera, you agree to have read and accepted our terms of use, cookie and privacy policy. All rights reserved.'

Figure 9.2 (Place Order) page.

10-Rate a product:

- 1) Login to your customer account.
- 2) Click on the image of the product you want to rate.
- 3) The product description page will open.
- 4) Rate the product from one star to five stars, then click on (✓) button.

Note: Only users with customer accounts can rate products.

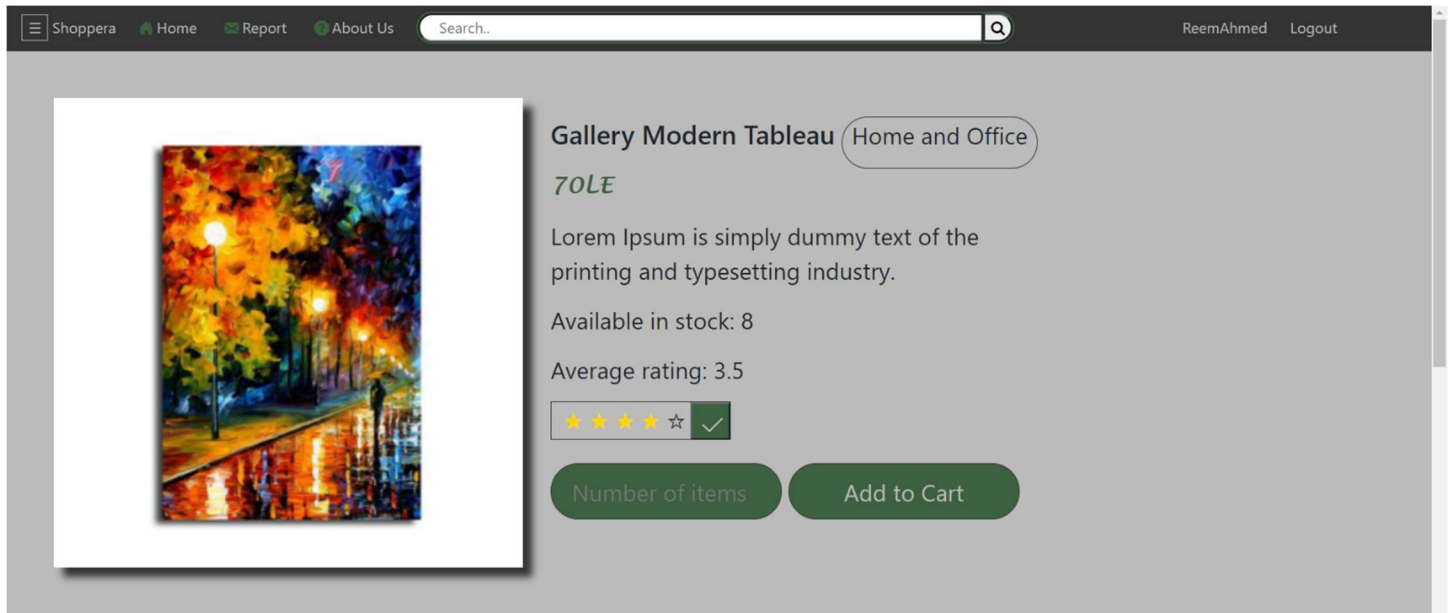

Figure 10.1 Example for product rating.

11-Add a new product to the website:

- 1) Login to your seller account.
- 2) From the navigation bar choose (Add product).
- 3) Fill in the required fields, then click on (Add product) button.

Note: Only users with seller accounts can add new products to the system.

Output: The system displays a success message.

A screenshot of the 'Add Product' form. The form is titled 'Add Product' and contains several input fields: 'Title:', 'Category:' (a dropdown menu with 'Home and Office' selected), 'Insert Image:' (with a 'Choose File' button and 'No file chosen' text), 'Price:', 'Number of items:', 'Keywords:', and 'Description:'. At the bottom of the form, there are two buttons: 'Add Product' and 'Cancel'.

Figure 11.1 (Add Product) page.

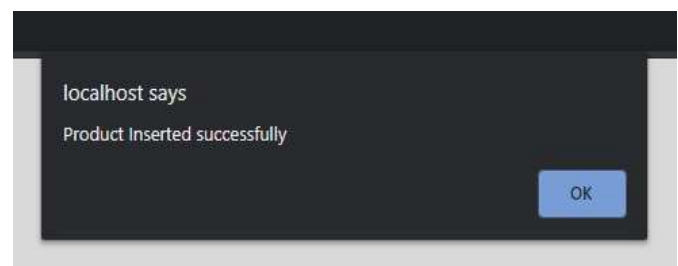

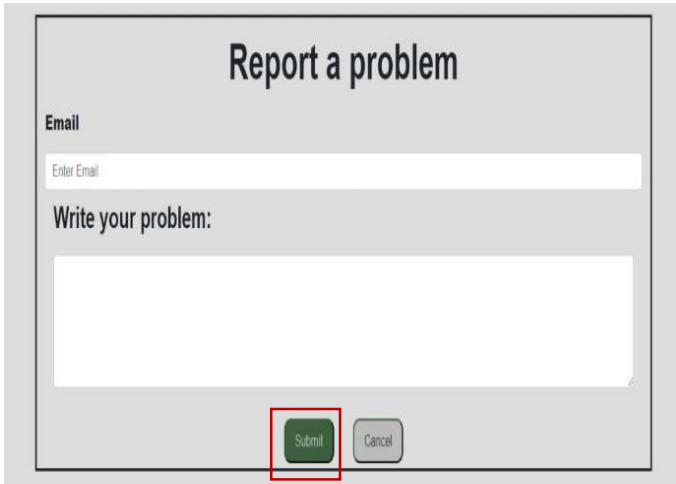

Figure 11.2 Product has been added to the system successfully.

12-Report a problem:

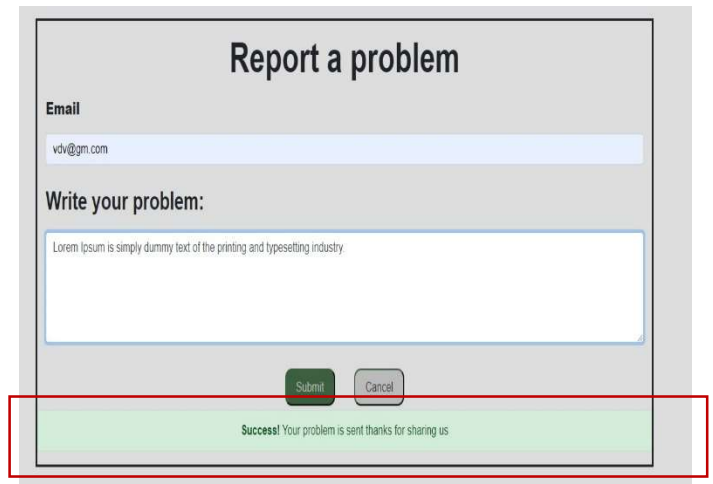

- 1) From the navigation bar choose (Report).
- 2) Fill in the required fields.
- 3) Click on (Submit) button.

Output: The system displays a success message.

The screenshot shows a web form titled "Report a problem". It has a header section with the title. Below the header, there is an "Email" label followed by a text input field containing "Enter Email". Underneath the email field is a label "Write your problem:" followed by a large text area. At the bottom of the form, there are two buttons: a green "Submit" button and a grey "Cancel" button. The "Submit" button is highlighted with a red rectangle.

Figure 12.1 (Report a Problem) page.

The screenshot shows the same "Report a problem" form, but now it displays a success message. The email field contains "vdi@gmail.com" and the text area contains "Lorem Ipsum is simply dummy text of the printing and typesetting industry". The "Submit" and "Cancel" buttons are still present. A green banner at the bottom of the form contains the text "Success! Your problem is sent thanks for sharing us". This banner is highlighted with a red rectangle.

Figure 12.2 Problem is sent successfully.

13-Know information about the website:

- 1) From the navigation bar choose (About Us).
- 2) A page will open containing information about the website.

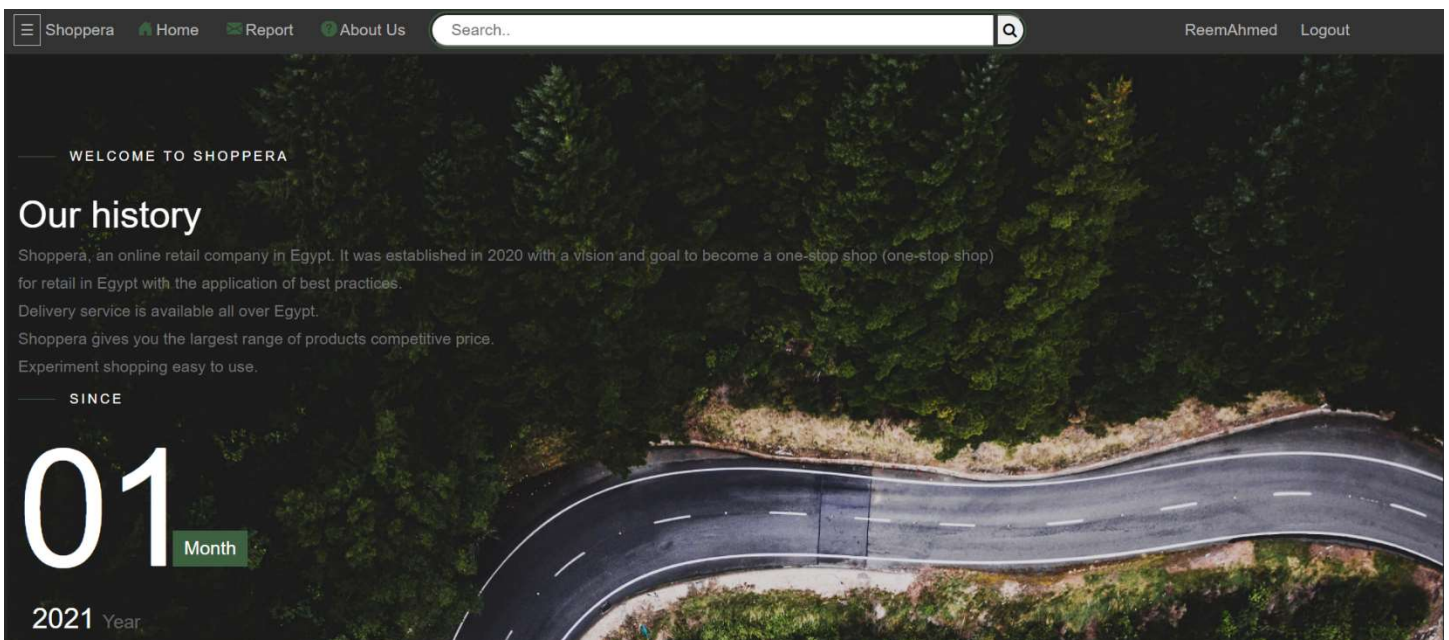

Figure 13.1 (About Us) page.
